Patient Registration Instructions

Are you a new patient to the program?

No

Compare your new certification number to your previous certification number. Are they the same?

Yes

You do NOT need to re-register. Your registration has been extended until your new certification expiration date. Continue using your existing registry ID card.

No

You must register on your new certification. Do you have an existing personal MY.NY.gov account?

No

You must create an account on the MY.NY.gov website.

Yes

Go to MY.NY.gov
Click on Don’t have an Account?
Follow the prompts to create a personal account
*remememr that the answers to secret questions are case-sensitive
*remember that the password is case-sensitive
*save your user ID and your password in a safe place
Click Log out and close the browser. Your MY.NY.gov account is created.

Go to MY.NY.gov
Log in to your personal MY.NY.gov account.

1. Confirm that you are logged into the correct MY.NY.gov account
2. Click on the “Health Applications” tile
3. Click on the “Medical Cannabis Data Management System (MCDMS)” link
4. Click on the “Start New Registration” button
5. Follow the steps to register

Please log-in using only 1 browser and make sure you do not have multiple tabs/windows open with the same MY.NY.gov webpage, as this may cause errors.

Questions? Contact the Medical Cannabis Program by emailing medical@ocm.ny.gov or calling 888-626-5151.
