No. 2022-32
September 20, 2022

A RESOLUTION TO PERMIT THE OFFICE OF CANNABIS MANAGEMENT TO ADOPT REVISED REGULATIONS FOR THE HOME CULITVATION OF MEDICAL CANNABIS.

WHEREAS, the Cannabis Control Board (Board), is a five-member Board created pursuant to Article 2 of the Cannabis Law, charged with the responsibility of overseeing activities related to planting, cultivation, possession, manufacture, delivery, harvest, possession, preparation, transfer, transportation, or use of medical cannabis for a certified patient, or the administration, cultivation, manufacture, delivery, harvest, possession, preparation, transfer, or transport of cannabis or cannabis plants by a designated caregiver;

WHEREAS, pursuant to Section 10 and Section 13 of Article 2 of the Cannabis Law, the Board has the authority to establish standards and promulgate regulations to govern medical cannabis conduct in addition to other cannabis related activities;

WHEREAS, the Board pursuant to Section 41 and Section 43 of Article 3 of the Cannabis Law, is charged with the responsibility to create a regulatory framework for the home cultivation of medical cannabis for certified patient use, in accordance with Section 222.15 of the Penal Law, which, shall be enforced by the Office of Cannabis Management (Office);

WHEREAS, the Office recommends that the Board file with the Department of State for adoption the attached personal home cultivation of medical cannabis regulations which details the number of plants that may be cultivated in a personal home for medical cannabis for certified patients by themselves or by their designated caregivers, threshold levels of possession of medical cannabis, security requirements of such home cultivated medical cannabis and requiring that the packaging and labeling, storage, transport requirements associated with personal home cultivation of medical cannabis; now, therefore, be it

RESOLVED, that the Board directs the Office to file with the New York State Department of State for adoption of the attached personal home cultivation of medical cannabis regulations.
