

Patients with a certification number that begins with a PC1 or a PC2 can add a designated caregiver by navigating to the “Manage Caregivers” section in their patient registration and add/ delete caregivers as needed. Once the caregivers are added they must register separately.

Patients with a certification number beginning with PC3 must contact the Medical Cannabis Program at 888-626-5151 to manage caregivers.

1. Login to the patient’s <https://my.ny.gov> → “Health Applications” → “Medical Cannabis Data Management System”.
2. Click on the patient registration tile.
