RESOLUTION DIRECTING THE OFFICE OF CANNABIS MANAGEMENT TO FILE CERTAIN MEDICAL CANNABIS REGULATION AMENDMENTS

WHEREAS, pursuant to Article 3 of the Cannabis Law, the Cannabis Control Board (Board) is charged with the responsibility of overseeing activities related to medical cannabis;

WHEREAS, pursuant to Section 10(4), 13, and 43 of the Cannabis Law, the Board has the authority to establish standards and requirements and to promulgate rules and regulations governing the acquisition, administration, cultivation, testing, processing, packaging, marketing and sale of medical cannabis; and

WHEREAS, the Office of Cannabis Management (Office) recommends that the Board file with the Department of State to make effective the attached proposed amendments to medical cannabis regulations, which include, amongst other things, changes to certain terms to conform with the use and understanding among patients, practitioners and others in the medical sector, removal of the practitioner requirement to review the prescription monitoring system overseen by the Department of Health, and creates rules for operators having an interest in both the medical and adult-use program; now, therefore, be it

RESOLVED, that the Board directs the Office to file with the New York State Department of State for publication the attached proposed amendments to the medical cannabis regulations currently before the Board, as may be amended for changes in accordance with the State Administrative Procedure Act to make effective upon publication.
