If you do not have a my.ny.gov account, you will need to create one.

- **To create a my.ny.gov account:**
  - **Visit https://my.ny.gov.**
  - **Click "Create an Account" ➔ "Personal" ➔ Follow prompts to create your account.**

1. Login to the patient's https://my.ny.gov ➔ "Health Applications" ➔ "Medical Cannabis Data Management System".

   - From the MCDMS page, you may either click on your patient registration tile or,
   - If your tile does not appear, click: "Start/Link New Registration" ➔ "Patient" or "Caregiver" ➔ Follow prompts to link your account.

2. Click on the patient registration tile.

   Smoke, W

   Certification #: PC3-20954186
   Certification Status: Active
   Issue Date: 07/18/2023
