## Adult-Use License Types

### Overview

On March 31, 2021, the Marijuana Regulation & Taxation Act (MRTA) was signed into law, legalizing adult-use cannabis (also known as marijuana, or recreational marijuana) in New York State. The legislation created a new Office of Cannabis Management (OCM) governed by a Cannabis Control Board to oversee and implement the law (collectively referred to as “OCM”). The OCM will issue licenses and develop regulations outlining how and when businesses can participate in the new industry. The information below outlines the different adult-use cannabis license types and ownership limitations, as set out in the MRTA.

Please continue to monitor the OCM website at: [cannabis.ny.gov](https://cannabis.ny.gov) for updates.
