ISSUE

The allegations set forth in the Notice of Violation indicate that the Respondent was offering cannabis products, as defined by Cannabis Law Article 3, for sale without an appropriate registration, license, or permit. This allegation was based upon observations made during a regulatory inspection which was conducted at Magic Garden Convenience Corp. located at 493 2nd Avenue, New York, NY 10016.

The scope of the emergency hearing was limited solely to the issue as to whether or not the padlocking provisions of Cannabis Law Article 6 § 138-b have been met by a preponderance off the evidence.

CONCLUSIONS OF LAW

Cannabis Law Article 6 §138(a) provides that “The board or the Office of Cannabis Management shall, in accordance with the authority otherwise conferred in this chapter, have the authority to: 1. order any person who is unlawfully cultivating, processing, distributing or selling cannabis, cannabis product, cannabinoid hemp or hemp extract product, or any product marketed or labeled as such in this state without obtaining the appropriate registration, license, or permit therefor, or engaging in an indirect retail sale to cease such prohibited conduct. 2. seize any cannabis, cannabis product, cannabinoid hemp or hemp extract product, or any product marketed or labeled as such, found in the possession of a person engaged in the conduct described in subdivision one of this section.”

Cannabis Law Article 6 §138-b(1) provides that orders to seal: In addition to any other authority conferred in this chapter, pursuant to the provisions of this section, the board or the office shall have the authority to issue an order to seal the building or premises of any business engaged in unlicensed activity, when such activity is conducted, maintained, or permitted in such building or premises, occupied as a place of business as described in subdivision eight of section ten of this chapter, in violation of subdivision one or one-a of section one hundred twenty-five or subdivision one or eight or section one hundred thirty-two of this article.

Cannabis Law Article 6 §138-b(6) provides that an order to seal may be issued by the office or the board pursuant to subdivision three of this section only if:

- (a) no part of the premises to be sealed is used in part as a residence and pursuant to local law or ordinance is zoned and lawfully occupied as a residence; and
- (b) the unlicensed activity as described in this section is more than a de minimis part of the business activity on the premises or in the building to be sealed pursuant to this subdivision, the office shall issue a notice of violation and order to cease the unlicensed conduct, which shall constitute notice that such activity must cease immediately. (See Regulations at 9 NYCRR 133.25 (f)(2-3)).

Cannabis Law Article 6 §138-b(7) provides that in assessing whether unlicensed activity within a building is more than de minimis, the office or board, as relevant, shall consider factors such as any one or more of the following:

- (a) the presence of signs or symbols, indoors or out, advertising the sale of cannabis or otherwise indicating that cannabis is sold on the premises;

- (b) information shared in any advertisements or other marketing content in connection with the unlicensed business activity and any direct or indirect sales of cannabis or other conduct in violation of this chapter;
- (c) the volume of illicit cannabis products on site; and
- (d) the variety of illicit cannabis products on site. (See Regulations at 9 NYCRR 133.25(f)(3)(i-iv)).

Cannabis Law Article 6 §138-b (3) provides that the office may issue an order to seal with an immediate effective date if such order is based upon a finding by the office of an imminent threat to the public health, safety and welfare. (See Regulations at 9 NYCRR 133.25(f)(1)).

Cannabis Law Article 6 §138-b(4) sets forth the factors that determine an imminent threat to public health, safety, and welfare shall be limited to:

- (a) documented sales to minors;
- (b) unlicensed processing of cannabis products at the building or premises;
- (c) orders issued following an inspection wherein the person engaged in the unlicensed activity engaged in violent, tumultuous, or other behaviors indicating expressed intent to not comply with the office’s order to cease the unlicensed activity;
- (d) documented presence of unlawful firearms at the building or premises;
- (e) proximity of the building or premises to schools, houses of worship, or public youth facilities;
- (f) presence of products deemed unsafe based on reports of illness or hospitalization; or
- (g) sales of, or offers to sell, cannabis products not tested or labeled lawfully in accordance with this chapter. (See Regulations at 9 NYCRR 133.25(f)(1)(i-vii)).

FINDINGS OF FACT

1. Based upon photographic evidence and testimony presented at the hearing, I find that Respondent was offering cannabis products for sale without a license issued by OCM. The photographic evidence clearly depicted various products labeled as containing cannabis and offered for sale pursuant to a “menu” which also served as a price list.

2. No part of the premises to be sealed is used in part as a residence and pursuant to local law or ordinance, is zoned and lawfully occupied as a “residence.”

3. The unlicensed activity which warrants an order to seal constitutes more than a “de minimis” part the business activity. This determination was made based upon the signage

present both inside and outside the shop which indicated that cannabis was being sold on the premises. Furthermore, the OCM Investigator credibly testified that the ratio of unlicensed cannabis products to other products offered for sale in the shop was approximately 50:50 which is a significant amount as it accounts for half of the products offered for sale. The investigator also testified to a variety of unlicensed cannabis products offered for sale including cannabis flower, pre-rolls, cannabis concentrates and cannabis edibles.

4. Respondent engaged in the sale of, or offer to sell, cannabis products not tested or labeled lawfully in accordance with this chapter. The packaged cannabis products offered for sale were branded with the California logo which the testimony established was not in compliance with New York State laws and regulations, thus constituting an imminent threat to public health, safety, and welfare.

WHEREFORE, PURSUANT TO CANNABIS LAW ARTICLE 6 §138-b (9), THE ORDER TO SEAL, ISSUED ON MAY 23, 2024, IS HEREBY EXTENDED FOR ONE YEAR FROM THE DATE OF THIS DECISION.
