## RESOLUTION TO CONSIDER CERTAIN APPLICATIONS WITH NON-VIABLE LOCATIONS REQUESTING THE BOARD DETERMINE WHETHER GRANTING THE LICENSE WOULD PROMOTE PUBLIC CONVENIENCE AND ADVANTAGE

**WHEREAS**, pursuant to Article 4 of the Cannabis Law, the Cannabis Control Board (Board) is charged with the responsibility of overseeing activities related to adult-use cannabis;

**WHEREAS**, pursuant to Section 64(1)(g)(x) of the Cannabis Law, the Board is charged with developing regulations which establish factors for determining if granting an applicant’s adult-use cannabis license would promote public convenience and advantage;

**WHEREAS**, pursuant to Section 119.4(b) of Title 9 of the New York Codes, Rules and Regulations (9 NYCRR), the Board may determine that granting a license would promote public convenience and advantage as described in paragraphs [9 NYCRR 119.4(a)(1) and 119.4(a)(2)] by considering the following factors, which include: (1) the number, classes, and character of other licenses in proximity to the premises and in the particular municipality or subdivision thereof; (2) evidence that all necessary licenses and permits have been obtained from the state and all other governing bodies; (3) whether there is a demonstrated need for such license, (4) effect of the grant of the license on pedestrian or vehicular traffic, and parking, in proximity to the premises; (5) the existing noise level at the premises and any increase in noise level that would be generated by the proposed premises; (6) the history of cannabis violations and reported criminal activity at the proposed premises; and (7) any other factors specified by law or regulation that are relevant to determine granting a license would promote public convenience and advantage of the community;

**WHEREAS**, applicant(s) identified in Attachment A (applicants) submitted a request to the Office that the proposed conditional adult-use retail dispensary location be approved as it would promote public convenience and advantage under the factors enumerated in 9 NYCRR 119.4(b);

**WHEREAS**, the Office reviewed the applicant’s above-mentioned request by analyzing the factors enumerated in 9 NYCRR 119.4(b);

**WHEREAS**, in light of the above, the Office has prepared the information related to this public convenience and advantage request for the Board’s consideration;

**RESOLVED**, that the Board has taken action to either approve or deny the public convenience and advantage requests, identified in Attachment A, based on the voting at the June 27, 2025, Board meeting.
