

No. 2025-83

November 13, 2025

**RESOLUTION TO CONSIDER CERTAIN APPLICATIONS WITH NON-VIABLE LOCATIONS REQUESTING THE BOARD DETERMINE WHETHER GRANTING THE LICENSE WOULD PROMOTE PUBLIC CONVENIENCE AND ADVANTAGE**

**WHEREAS**, pursuant to Article 4 of the Cannabis Law, the Cannabis Control Board (Board) is charged with the responsibility of overseeing activities related to adult-use cannabis;

**WHEREAS**, pursuant to Section 64(1)(g)(x) of the Cannabis Law, the Board is charged with developing regulations which establish factors for determining if granting an applicant's adult-use cannabis license would promote public convenience and advantage;

**WHEREAS**, pursuant to Section 119.4(b) of Title 9 of the New York Codes, Rules and Regulations (9 NYCRR), the Board may determine that granting a license would promote public convenience and advantage as described in paragraphs [9 NYCRR 119.4(a)(1) and 119.4(a)(2)] by considering the following factors, which include: (1) the number, classes, and character of other licenses in proximity to the premises and in the particular municipality or subdivision thereof; (2) evidence that all necessary licenses and permits have been obtained from the state and all other governing bodies; (3) whether there is a demonstrated need for such license, (4) effect of the grant of the license on pedestrian or vehicular traffic, and parking, in proximity to the premises; (5) the existing noise level at the premises and any increase in noise level that would be generated by the proposed premises; (6) the history of cannabis violations and reported criminal activity at the proposed premises; and (7) any other factors specified by law or regulation that are relevant to determine granting a license would promote public convenience and advantage of the community;

**WHEREAS**, applicant(s) identified in Attachment A (applicants) submitted a request to the Office that the proposed adult-use retail dispensary location be approved as it would promote public convenience and advantage under the factors enumerated in 9 NYCRR 119.4(b);

**WHEREAS**, the Office reviewed the applicant's above-mentioned request by analyzing the factors enumerated in 9 NYCRR 119.4(b);

**WHEREAS**, in light of the above, the Office has prepared the information related to this public convenience and advantage request for the Board's consideration;

**RESOLVED**, that the Board has taken action to either approve or deny the public convenience and advantage requests identified in Attachment A based on the voting at the October 6, 2025, Board meeting
