WHEREAS, the Office of Cannabis Management has reviewed the information which has been submitted by certain cannabis licensees or permittees, for the amendment of such cannabis license or permit for the purpose of a location change of such licensee or permittee’s licensed premises or study site, or the transfer of ownership, structure, control, or the ability to control the majority of voting shares of such licensee, and recommends to the Board to approve such change of location amendment of certain licenses and permits as set forth in Attachment A;

WHEREAS, applications submitted by certain cannabis licensees or permittees requesting a location or ownership composition change as identified in [Attachment A], for the amendment of their cannabis license or permit for the purpose of a change of location or cultivation tier/type, of such licensee or permittee’s licensed premises or study site, or the transfer of ownership, structure, control, or the ability to control the majority of voting shares of such licensee, are pending before the Board; now therefore, be it
