Re: Response from the New York State Cannabis Control Board under Cannabis Law Section 76(4)

Dear Village of Warsaw:

This letter is in reference to the Cannabis Control Board’s decision to approve the license amendment for OCM-RETL-24-000200 (Friends Vintage LLC) located at 461-8 North Main Street, Warsaw, NY 14569.

Pursuant to Article 4 of the Cannabis Law, the Cannabis Control Board (Board) is authorized to issue registrations, licenses, and permits related to adult-use retail dispensaries, registered organization with dispensary (ROD), or for on-site consumption (License) within the State. Section 76(4) of the Cannabis Law provides that when a city, town, or village within New York State (Municipality), or a community board within New York City (Community Board), expresses an opinion (Opinion) either for or against the Board’s issuance for a License authorizing retail cannabis sale within their geographic bounds, the Board shall respond in writing with an explanation as to how it considered the Opinion. Furthermore, Part 119 of Title 9 of New York Codes Rules and Regulations (9 NYCRR) sets the timeframe of thirty (30) days, with the option to request thirty (30) additional days, in which a Municipality or Community Board may submit their Opinion to the Board.

On or about January 14, 2026 the Board received an Opinion from your office (Office) outlining concerns on the review and issuance of a license to Friends Vintage LLC and the Board is responding as follows:

Pursuant to Article 6 of the Cannabis Law, local municipalities had the option to pass local laws to opt-out of New York’s cannabis market, by barring adult-use cannabis retail dispensaries or on-site consumption licenses from locating within their jurisdictions by December 31, 2021 (nine months after the effective date of the legislation). If the opt-out action did not take place, local municipalities do not have the authorization to bar adult-use cannabis retail dispensaries from locating within their jurisdictions.

As the Village did not pass a local law opting out of the adult use license types, the Village is unable to bar adult-use cannabis retail dispensaries from locating within their jurisdictions. The Marijuana Regulation Taxation Act and Adult Use Regulations impose stringent requirements on licensed adult use dispensaries. Licensed operators must implement comprehensive security plans, including surveillance, alarm systems, restricted access controls, inventory tracking, secure product storage. These measures are designed specifically to deter diversion, theft, and

other criminal activities. Importantly, bringing cannabis sales into a regulated framework allows for transparent oversight, required reporting, and coordinated enforcement – tools that are unavailable in illicit market contexts. The Office of Cannabis Management retains ongoing inspection and enforcement authority over licensees who fail to comply with public safety standards.

The Office of Cannabis Management and Board continue to prioritize the public health and safety of New Yorkers, particularly those under twenty-one, through our regulatory framework, guidance, and ongoing public education campaign. This includes packaging and labeling provisions that prohibit products that could be considered attractive to individuals under twenty-one, marketing and advertising provisions that ban advertisements easily viewed by individuals under twenty-one. The Board and Office of Cannabis Management realize the importance of protection of youth from adult-use cannabis and have implemented regulatory and policy-based requirements which address the security and safety of individuals under the age of twenty-one. Additionally, the MRTA establishes one of the most comprehensive public health-oriented cannabis regulatory frameworks which requires all licensed cannabis products must undergo laboratory testing, labeling requirements, and child resistant packaging.

Furthermore, the Board may not deny a licensed based on generalized concerns of crime and health hazards of cannabis products. As such the license amendment was reviewed and confirmed that Friends Vintage LLC completion of all application requirements for final licensure. After careful review and consideration of the opinion received from your Locality, and pursuant to the Cannabis Law and related regulations, a license was approved for Friends Vintage LLC located at 461-8 North Main Street, Warsaw, NY 14569.

Sincerely,
Cannabis Control Board
